

FUTURE-FOCUSED FINANCE – FACE DEVELOPMENT DAY

Date: 18th September 2018 09.30-15.00

Venue: TBC - Birmingham

The FACE network aims to have an active Finance and Clinical Educator in every NHS organisation who is best-placed to champion clinical engagement and financial training. At a time when financial challenges are rising improved financial and clinical engagement is essential to maintaining a sustainable NHS. As a network we therefore aim to inspire better relationships between Clinical and Finance Professionals to create clinical value.

Our FACE Development day is open to both finance staff and clinicians and is free to attend. It will provide an opportunity to hear about success stories of close partnering in organisations and provide top tips of being 'the FACE of Finance' in your organisation.

AGENDA

09.30 Registration and Refreshments

10.00 Welcome and Introduction

Demystifying NHS finance to create clinical value.

Dr Akeeban Maheswaran, Consultant Anaesthetist at University Hospitals of Leicester NHS Trust and SRO, Close Partnering Workstream, Future-Focused Finance

10.15 Key note – The importance of collaborative working

Dr Clare Ingram, Consultant Anaesthetist and Pam Kaur, Commercial Finance Manager, University Hospitals Coventry and Warwickshire NHS Trust

This session will give an overview on NHS RightCare including its key objectives and the success stories so far.

Tim Cullinan, NHS RightCare

(C) Costing in the NHS

This session will give a local case study on costing and look at the partnership between finance and non-finance staff in the development of robust costing information.

12.15 **Lunch**

13.00

Workshops – Pick one session to attend

(D) Business Cases

This session will give you tips on preparing business cases and will look at the benefits of working together in putting together a successful bid.

Peter Munday, J and P Associates

(E) NHS RightCare

This session will give an overview on NHS RightCare including its key objectives and the success stories so far.

Tim Cullinan, NHS RightCare

(F) Costing and PLICS

This session will give a local case study on costing and look at the partnership between finance and non-finance staff in the development of robust costing information.

14.00 **Vertical Integration – A Case Study by The Royal Wolverhampton NHS Trust**

As of 1st July 2018, nine GP Practices are now part of the The Royal Wolverhampton NHS Trust which will see RWT directly responsible for the delivery of care.

This vertical integration (VI) offers a unique opportunity to redesign services from initial patient contact through on-going management and end of life care. As a single organisation the issues of scope of responsibility, funding, differing objectives and drivers will be removed and clinicians will be in a position to design effective, high quality clinical pathways which will improve appropriate access and positively impact on patient outcomes. Helen and Sultan will explain the process, the challenges faced and the benefits so far.

Helen Troelen, Deputy Director of Finance and Sultan Mahmud, Director of Integration, The Royal Wolverhampton NHS Trust

14.45 **Coffee Break**

15.00 FACE Showcase – top tips on getting started, presenting and FACE stories

Members of the FACE network will share their success stories and the differences they have made in their organisations by being Finance and Clinical Educators. For those attending who are already FACE in their organisations please feel free to contribute to this session and share what you have been doing in your organisations.

16.00 Close
